Of Proposed Changes
In Scheduled Rates

Illinois-American Water Company has filed with the Illinois Commerce Commission proposed changes in the rates and charges for general water service, general wastewater service, public fire protection service, and private fire protection service, in all districts served by the Company.

These changes involve an adjustment in the rates charged for metered water service, wastewater service, public fire protection service, and private fire protection service.

Customers should be advised that the Commission may alter or amend the rates or conditions of service after hearings held pursuant to 65 ILCS Admin Code 200 and may increase or decrease individual rates in amounts other than those requested by the Company.

Illinois Commerce Commission procedures for intervention are contained in its Rules of Practice and include the timely filing of a verified petition to intervene with the Chief Clerk of the Commission and service of the petition upon this corporation, to the Commission's Administrative Law Judge, staff witnesses, and all other parties. This petition must contain the information required by the Rules of Practice.

If you are interested in this matter, you may obtain additional information either directly from Illinois-American Water Company, 1200 N. Western Road, Belleville, IL 62221, or by addressing the Chief Clerk of the Illinois Commerce Commission, 527 East Capitol Avenue, Springfield, Illinois 62701.

NOTICE OF PROPOSED CHANGES IN SCHEDULED RATES

Illinois-American Water Company has filed with the Illinois Commerce Commission proposed changes in its rates and charges for general water service, general wastewater service, public fire protection service, and private fire protection service, in all districts served by the Company.

These changes involve an adjustment in the rates charged for metered water service, wastewater service, public fire protection service, and private fire protection service.

A copy of the proposed schedules may be inspected by any interested party at any of our Illinois-American offices.

Customers should be advised that the Commission may alter or amend the rates or conditions of service after hearings held pursuant to 83 Ill. Admin Code 200 and may increase or decrease individual rates in amounts other than those requested by the Company.

Illinois Commerce Commission procedures for intervention are contained in its Rules of Practice and include the timely filing of a verified petition to intervene with the Chief Clerk of the Commission and service of the petition upon this corporation, to the Commission's Administrative Law Judge, Staff witnesses, and all other parties. This petition must contain the information required by the Rules of Practice.

If you are interested in this matter, you may obtain additional information either directly from Illinois-American Water Company, 300 N. Water Works Road, Belleville, IL 62223, or by addressing the Chief Clerk of the Illinois Commerce Commission, 527 East Capitol Avenue, Springfield, Illinois 62761.
